

Checking for Imagery Coverage

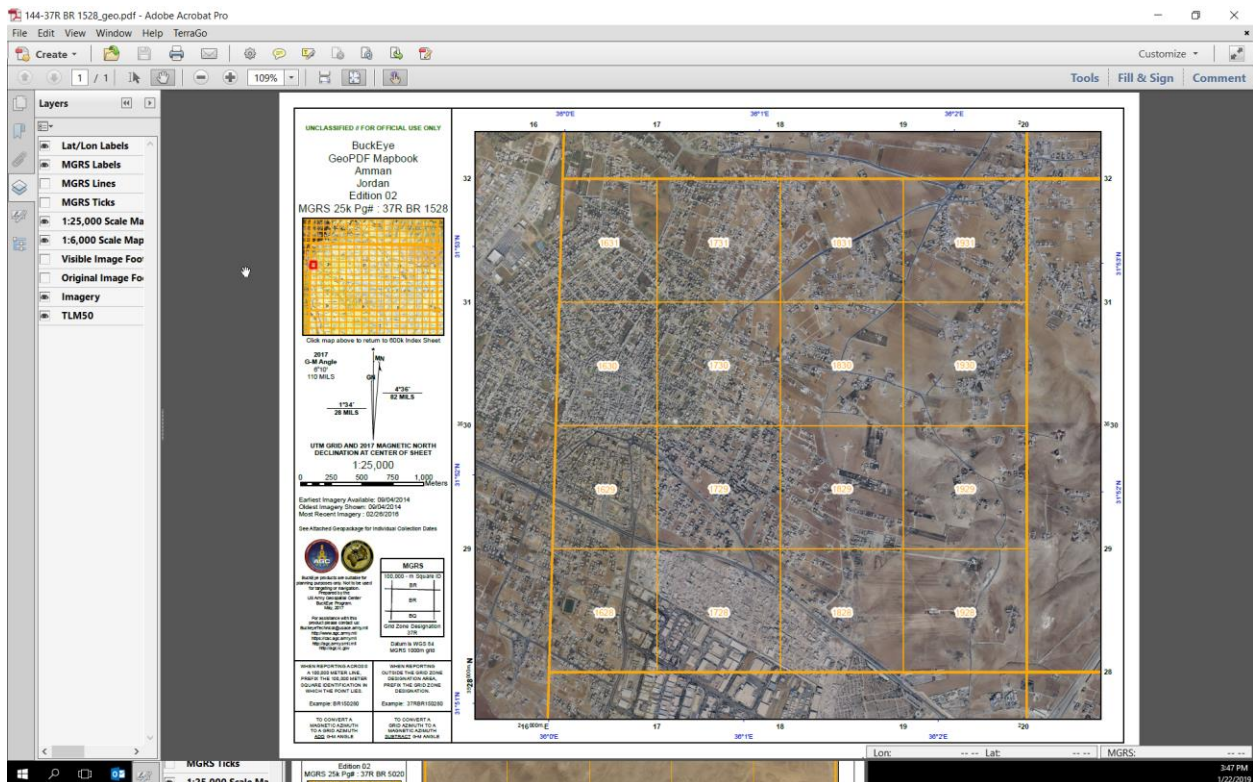

1. Go to: <https://cac.agc.army.mil/Products/BuckEye/index.cfm>
2. "Click" on "GeoPDF Mapbooks."
3. "Click" the drop down arrow next to the country of interest (Jordan for this example).
4. "Click" "Jordan – Buckeye Orthophoto Map Books."
5. "Click" on the most recent folder (2016Q4 for this example).
6. "Click" on "Jordan_IndexSheet_geo.pdf."

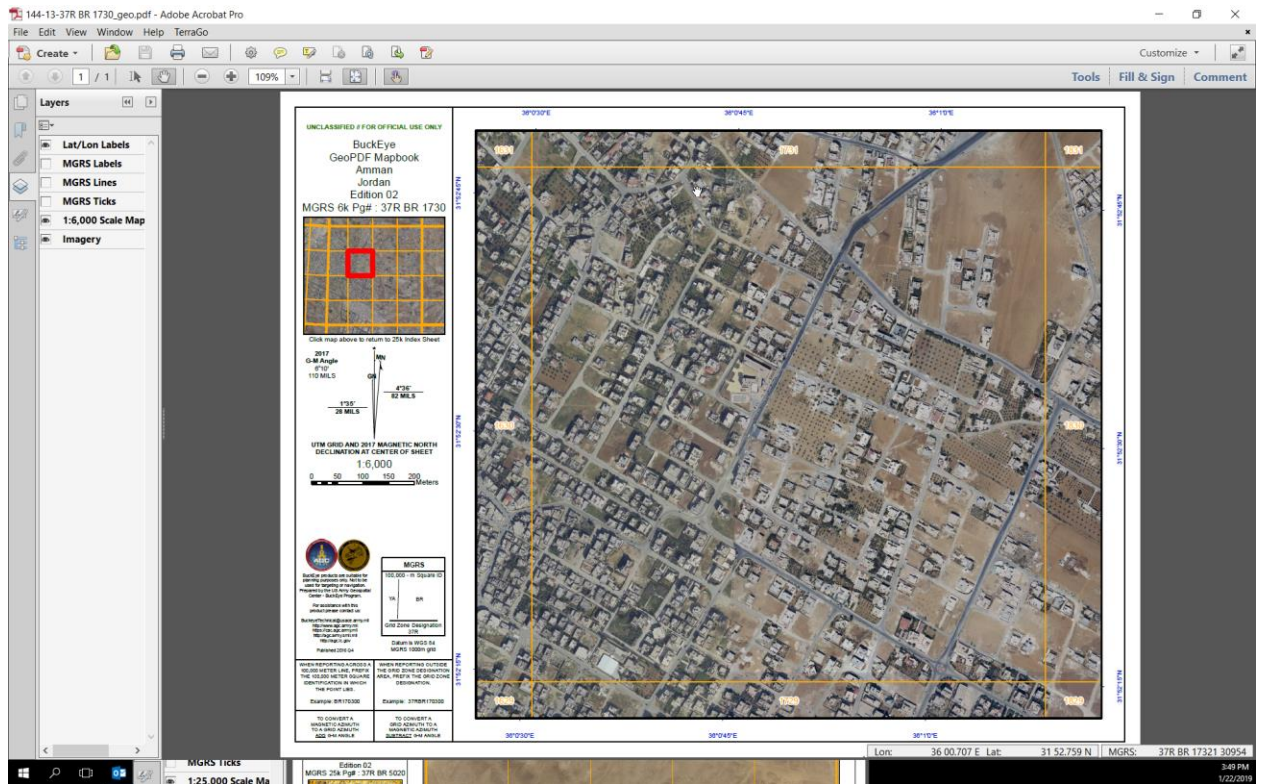

7. "Click" on desired tile to zoom in (37R BR for this example).

8. "Click" on desired tile to zoom in.

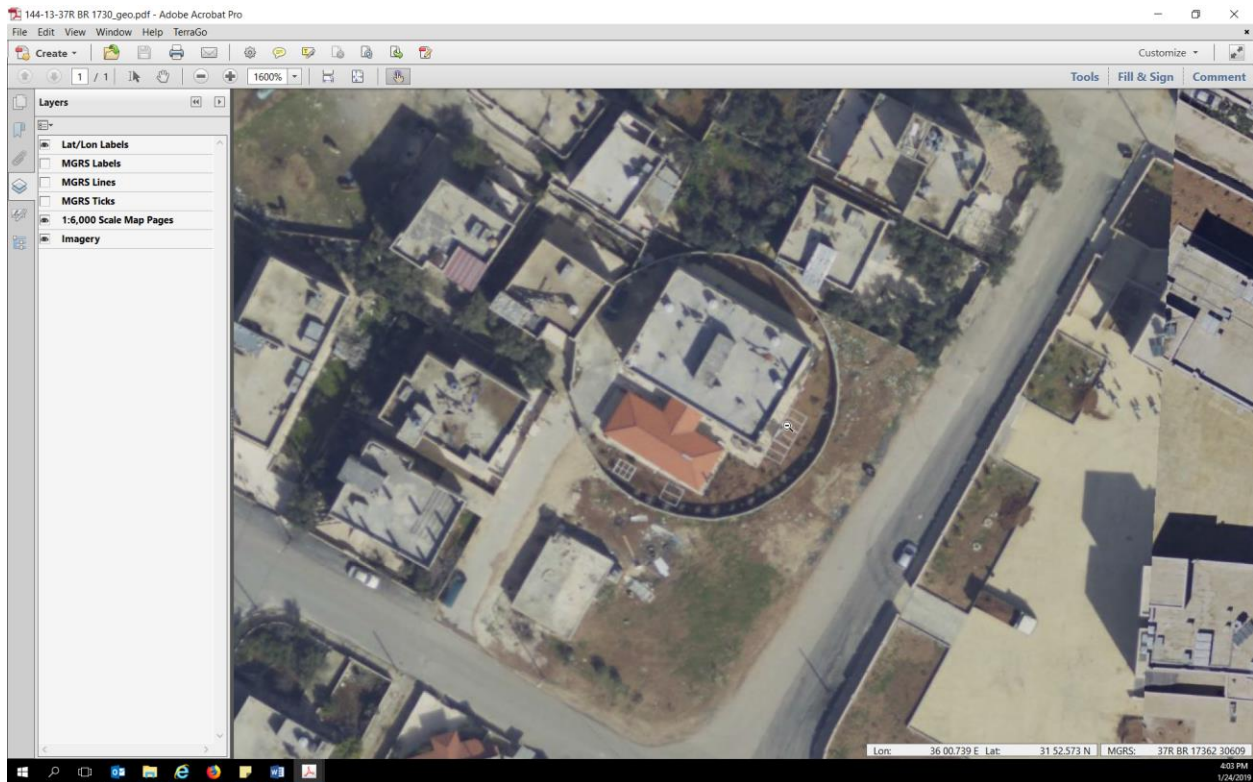

9. “Click” on desired tile to zoom in.

10. "Right click" on mouse and select "Marquee Zoom."

11. "Click" on area of interest to zoom in.

If you cannot find a GeoPDF Mapbook for your desired location, please contact the BuckEye Team at BuckEye@usace.army.mil.
